

In the United States Court of Federal Claims
OFFICE OF SPECIAL MASTERS
No. 20-1715V

GORDEN COLLINS,

Petitioner,

v.

SECRETARY OF HEALTH AND
HUMAN SERVICES,

Respondent.

Chief Special Master Corcoran

Filed: December 27, 2024

Ronald Craig Homer, Conway, Homer, P.C., Boston, MA, for Petitioner.

Lauren Kells, U.S. Department of Justice, Washington, DC, for Respondent.

DECISION ON ATTORNEY'S FEES AND COSTS¹

On December 1, 2020, Gordon Collins filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that he suffered a shoulder injury related to vaccine administration ("SIRVA") as a result of a Tetanus-diphtheria-acellular-pertussis vaccine administered on July 7, 2018. Petition at 1. On December 1, 2023, I issued a decision awarding damages to Petitioner, based on the Respondent's proffer. ECF No. 62.

¹Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$39,466.15 (representing \$38,575.90 for attorney's fees, \$882.90 for attorney's costs, and \$7.35 for Petitioner's out-of-pocket litigation costs). Petitioner Application for Attorneys' Fees, filed May 20, 2024, ECF No. 67. In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred \$7.35 in out-of-pocket expenses. ECF No. 68.

Respondent reacted to the motion on June 3, 2024, representing that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 69. Petitioner filed no reply.

Having considered the motion along with the invoices and other proof filed in connection, I find a reduction in the amount of fees to be awarded appropriate, for the reason set forth below.

ANALYSIS

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Counsel must submit fee requests that include contemporaneous and specific billing records indicating the service performed, the number of hours expended on the service, and the name of the person performing the service. *See Savin v. Sec'y of Health & Hum. Servs.*, 85 Fed. Cl. 313, 316-18 (2008). Counsel should not include in their fee requests hours that are "excessive, redundant, or otherwise unnecessary." *Saxton v. Sec'y of Health & Hum. Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). It is "well within the special master's discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done." *Id.* at 1522. Furthermore, the special master may reduce a fee request *sua sponte*, apart from objections raised by respondent and without providing a petitioner notice and opportunity to respond. *See Sabella v. Sec'y of Health & Hum. Servs.*, 86 Fed. Cl. 201, 209 (2009). A special master need not engage in a line-by-line analysis of petitioner's fee application when reducing fees. *Broekelschen v. Sec'y of Health & Hum. Servs.*, 102 Fed. Cl. 719, 729 (2011).

The petitioner "bears the burden of establishing the hours expended, the rates charged, and the expenses incurred." *Wasson v. Sec'y of Health & Hum. Servs.*, 24 Cl. Ct. 482, 484 (1991). The Petitioner "should present adequate proof [of the attorney's fees and costs sought] at the time of the submission." *Wasson*, 24 Cl. Ct. at 484 n.1. Petitioner's counsel "should make a good faith effort to exclude from a fee request hours

that are excessive, redundant, or otherwise unnecessary, just as a lawyer in private practice ethically is obligated to exclude such hours from his fee submission.” *Hensley*, 461 U.S. at 434.

ATTORNEY FEES

The rates requested for work performed through the end of 2024 are reasonable and consistent with our prior determinations, and will therefore be adopted.

Regarding the time billed, I note this case required additional briefing regarding entitlement. See Petitioner’s Motion for Ruling on the Record, filed July 15, 2022, ECF No. 43. Petitioner’s counsel expended approximately 15.2 hours drafting the brief and 0.7 hours reviewing Respondent’s response, for a combined total of 15.9 hours. ECF No. 67 at 22-23. I find this amount of time to be reasonable and will award the attorney’s fees requested.

However, a small amount must be reduced for attorney time billed for the review of status reports and other cursory documents prepared by another attorney. ECF No. 67 at 18-21, 23-28.³ I note that it is common practice for Conway, Homer, P.C. to have several attorneys assist over the course of a case. In some instances, such as when preparing substantive documents like the petition, briefs, and settlement demands, it is reasonable to have another set of eyes review that document. See, e.g., ECF No. 67 at 23 (entry dated 7/15/22). However, it is not reasonable to have an attorney bill for time to review routine filings, such as status reports and motions for enlargement of time, when those filings were prepared (and billed for) by another attorney. This is not the first time I or other special masters have noted this particular issue concerning Conway, Homer, P.C. billing practices. See, e.g., *Manetta v. Sec’y of Health & Hum. Servs.*, No. 18-172V, 2020 WL 7392813, at *2 (Fed. Cl. Spec. Mstr. Nov 19, 2020); *Lyons v. Sec’y of Health & Hum. Servs.*, No. 18-414V, 2020 WL 6578229 (Fed. Cl. Spec. Mstr. Oct. 2, 2020). I will not award attorney’s fees for this redundant work. This results in a **reduction of \$550.50**.

ATTORNEY AND PETITIONER COSTS

Petitioner has provided supporting documentation for all claimed costs for all but expenses of \$20.00 for copying and \$36.57 for postage. ECF No. 67 at 29-40. I will nevertheless allow reimbursement of these unsubstantiated costs. Additionally, Petitioner has provided documentation for the \$7.35 out-of-pocket litigation costs that he seeks. *Id.*

³ These entries are dated as follows: 4/28/21, 5/28/21, 8/2/21, 9/30/21, 3/11/22, 9/1/22, 6/2/23, 6/30/23, 8/2/23, 9/1/23, 10/2/23, 11/1/23, 12/4/23, and 12/8/23.

at 41-42. And Respondent offered no specific objection to the rates or amounts sought. ECF No. 69.

CONCLUSION

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. **Petitioner is awarded the total amount of \$38,915.65⁴ as follows:**

- **A lump sum of \$38,908.30, representing reimbursement in the amount of \$38,025.40 for attorney's fees and \$882.90 for attorney's costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel, Ronald Craig Homer; and**
- **A lump sum of \$7.35, representing reimbursement for Petitioner's costs, in the form of a check payable to Petitioner.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.⁵

IT IS SO ORDERED.

s/Brian H. Corcoran

Brian H. Corcoran
Chief Special Master

⁴ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, Section 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See generally *Beck v. Sec'y of Health & Hum. Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

⁵ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing their right to seek review.
